SITE ACTIVITIES TO BE PERFORMED

- No activities are planned for the week of February 3 to 7, 2014.
- Complete bimonthly Site observation walk during week of February 10 to 14, 2014.

National Grid is in the process of coordinating a public meeting to present the results of the soil gas testing completed by National Grid at the Tidewater Site. It is anticipated that the meeting will be held in early March 2014. A public notification will be sent out to the Tidewater mailing list a minimum of two weeks prior to the meeting date once the final date is confirmed.

Please contact me at 401-421-4140 Ext. 2719 if you have any questions or comments.
