On behalf of National Grid, the following summarizes response actions to be performed at the above-referenced site during the timeframe from August 12 to 16, 2013.

### SITE ACTIVITIES TO BE PERFORMED

- Complete site observation walk.

Soil gas sampling activities are complete. A report summarizing the soil gas sampling and analyses will be prepared and submitted to RIDEM. It is currently anticipated that the summary report will be submitted to RIDEM in September 2013.
